Direction to Zaini GuestHouse

From Kuala Lumpur:

By car: Follow the signboard to the highway to Kuantan (Karak Highway). After the tunnel, follow the exit to Janda Baik. Go around the Petronas station then follow left to Janda Baik. "Straight" until you see the arch on your right-hand side then go up right (plenty of resorts' signboard at the junction). FYI from Genting Sempah R&R to the arch 5 km and then another 9 km to Zaini GuestHouse. If you see the Hawa Resort, ABC Training Center and the Pusat Latihan Umno Signboards, we are just after the former and before the later. Zaini GuestHouse is about one hour drive from K. L. (of course, it depends where from), 45 minutes from Bentong, 20 minutes from Genting Sempah and 15 minutes from Bukit Tinggi Chinese village.

By bus: go to the Titiwangsa Monorail/Star station where there is also a bus station, there you can find at 'Lorong 4' a red bus called Central Pahang (this is the bus going to Bentong or Raub) every full hour, then take this bus RM4,40 and ask to stop at Bukit Tinggi Chinese Village - Selesa Hillhomes. Give us a call for a lift or even better, call us before leaving K. L., we will wait for you 45 minutes later.
